Mr. Beckman,

This Form 99 is in response to the RFAI dated January 31, 2023, regarding the 24 hour independent expenditures disseminated on October 27, 2022.

Our intent was to timely file the 24 hour expenditures on October 28, 2022; as such, we uploaded the report to the FEC system before midnight on October 28, 2022. Please note that our report is signed and dated October 28, 2022, further demonstrating our objective to adhere to the 24 hour reporting requirement.

Upon close examination of the email received from noreply-efiling@fec.gov, sent as receipt of the report's transmission, it appears that the FEC's filing system did not officially accept the upload until one minute and 33 seconds after midnight, thus making our filing late by one minute and 33 seconds. I have included a copy of the electronic receipt below to illustrate what occurred:
